Commissioner for Patents

Receipt is acknowledged of the petition filed August 08, 2007 under 37 CFR 1.48(b) for correction of inventorship. The petition has been GRANTED.

In view of the papers filed, it has been found that during the prosecution of the instant application a restriction was required and therefore, not all of the inventors contributed to the invention as now claimed. Accordingly, this application has been changed by the deletion of Nazia Quraishi. The application will be forwarded to the Office of Initial Patent Examination (OIPE) for issuance of a corrected filing receipt, and correction of the file jacket and PTO PALM data to reflect the inventorship as corrected.
